INSTRUCTIONS FOR COMPLETING THE NZAHBS APPLICATION FOR REGISTRATION, MARE RETURN & STALLION SERVICE CERTIFICATE

1) The Stallion Owner

- a) Complete the Service Certificate (bottom left hand side of page). This form is to be completed if you are breeding your stallion to Purebreds, Derivatives, Anglo Arabians or non-registered/other registry mares.
- b) If you (the Stallion Owner) are not the owner or recorded lessee of the mare at the time of service, give the top copy of the form (with the completed Stallion Service Certificate) to the owner of the mare that has been bred to your stallion. The bottom copy is for your records.
- c) The top copy of the form also includes the Mare Return and Application for Registration which will be completed by the Mare Owner/Lessee and forwarded to the Society for processing.

3) The Mare Owner

- a) If you are the owner or recorded lessee of the mare at the time of breeding and foaling, fully complete the portion headed "Mare Return" and "Dam Owners Certificate/Application for Registration". Please ensure you show any markings, whorls, brands and positions of the brands on the horse. Please note: Purebred horses must be Branded AND/OR Microchipped and their markings signed off by a qualified veterinarian.
- b) Forward the completed form with the DNA sample to the NZAHBS with the appropriate fees. If you wish to pay electronically, complete the details on the bottom right of the form. Please note: Vets are no longer required to take DNA hair samples. DNA hair sample of Purebred geldings must also be forwarded with your application for registration to be stored at the Society's office.
- c) Anglo Arabians and Derivatives – DO NOT need to be Branded, Microchipped or DNA typed.
- d) Please check the Scale of Fees to ensure correct payment. Applicable DNA fees are included in Purebred registration fees.
- e) Please ensure all sections are completed and the application is signed before you send it. Incomplete forms may result in a delay in processing.
- f) This form covers Applications for Registration for all Purebreds, Anglo Arabians and Derivatives.
- g) These forms replace all other versions which should be discarded.
