## BIOGRAPHY

### Mark Wharton – USA

I have been involved with the Arabian horse since 1977 as a breeder and owner, trainer and handler, sales and purchasing agent and as a judge and educator. Born in Australia I moved to USA on an apprentice program for a large Arabian farm and then developed my own business in the USA and South America. My farm Peregrine Bloodstock is based in Lexington Kentucky and we maintain a herd of 30 mares, young stock, and stallions at stud. In addition we offer comprehensive client services in breeding, foaling and herd management.

Throughout my career as a trainer I have presented 120 National Champions in five countries. As an agent and advisor I have been privileged to aid in building several internationally successful breeding programs of both purebred Arabians and Anglo-Arabians through the selection and purchase of significant breeding stock and show horses. I have had the opportunity to be involved with some of the great breeding programs in the world and work with many legendary horsemen

In conjunction with the Brazilian Arabian Horse Association (ABCCA) I developed a judges' school for the education, training and testing of judges, and I am a member of the Brazilian Judges panel. I have judged National shows in Brazil, Uruguay, Venezuela and I have also judged in Europe, USA and Australia.

I am currently a member of the Registration Commission with the Arabian Horse Association (USA) which governs policy relating to all registration matters.
